MESSAGE OF OUR LADY, QUEEN OF PEACE

July 25, Medjugorje

to Maria Pavlović-Lunetti

“Dear children!

You are not aware of the graces that you are living at this time in which the Most High is giving you signs for you to open and convert. Return to God and to prayer, and may prayer begin to reign in your hearts, families and communities, so that the Holy Spirit may lead and inspire you to every day be more open to God's will and to His plan for each of you. I am with you and with the saints and angels intercede for you.

Thank you for having responded to my call.”

MESSAGE OF OUR LADY QUEEN OF PEACE

August 2, Medjugorje

to Mirjana Dragičević-Soldo

“Dear children!

the reason that I am with you, my mission, is to help you for 'good' to win, even though this does not seem possible to you now. I know that you do not understand many things as I also did not understand everything, everything that my Son explained to me while he was growing up alongside me – but I believed him and followed him. I ask this of you also, to believe me and to follow me. However, my children, to follow me means to love my Son above everything, to love him in every person without making differences. For you to be able to do this, I call you anew to renunciation, prayer and fasting. I am calling you for the Eucharist to be the life of your soul. I am calling you to be my apostles of light who will spread love and mercy through the world. My children, your life is only a blink in contrast to eternal life. And when you come before my Son, in your hearts he will see how much love you had. In order to spread love in the right way, I am asking my Son, through love, to grant you unity through him, unity among you, unity between you and your shepherds. Through them my Son always gives himself to you anew and renews your soul. Do not forget this. Thank you.”

RETURN TO GOD AND PRAYER

Listening to Our Lady, we see how difficult it is for the human heart to change and to be open to the grace of God. The Virgin Mary, as mother, sees with her motherly eyes and heart the spiritual condition of the heart of man and of the world. She knows the diagnosis, but also a spiritual cure for human disease.

Man has made great strides in civilization and in a technical sense, but rather little progress it seems spiritu-

...We do not need only physical eyes, but even more so spiritual ones, that will be able to see and recognize the grace that God gives us at this time...

ally. Even at the time when Jesus walked in the flesh through the country, people requested signs from him in order to believe in him. They were blind and unable to recognize the coming of God among them in his person. Jesus pronounces harsh words when he is unable to enter into stubborn man who is full of selfishness and pride.

In the Gospel of Matthew we read: *“Then some of the scribes and Pharisees said to him: ‘Teacher, we want to see a sign from you.’ He said to them, ‘An evil and adulterous generation seeks a sign. No sign will be not given it, except the sign of the prophet Jonah.”* (Mt 12, 38-39). Jesus knows what is in the human heart, and in what state of mind and prejudice it is that the Pharisees come to him. Because of this it may seem to us that

Jesus’ words are very rough, but he wants to punish and outrage them with these tough words.

God has left us many signs of his presence. *“For God so loved the world that he gave his only begotten Son, that whoever believes in him may not be lost, but may have eternal life”* (Jn 3: 16).

He gave us the sacraments, full of his grace and closeness. He established the Church to be the permanent sign of his presence on this earth. The cross of Jesus speaks to us of the extent to

which God has loved us. God does not cease to speak, encourage and wait for a person to return to him. In our time he accomplishes this through the mother of his son Jesus. The time span of the apparitions of the Virgin Mary tells us about God’s patience and love.

And now it’s man’s turn to come to God, in a state of faith and humility.

God is helpless in front of the proud and closed heart. St. James tells us: “*God opposes the proud, but gives grace to the humble*” (Jas 4, 6).

Dear children, you are not aware of the grace that you are living at this time.

We do not need only physical eyes, but even more so spiritual ones, that will be able to see and recognize the grace that God gives us at this time. Therefore Our Lady encourages us to be strong, and the only means by which our spiritual eyes will come to see is through prayer. Without prayer Isaiah’s prophecy that Jesus himself quotes is fulfilled in us: “*In them the words of the prophet Isaiah are fulfilled: 'Much as you hear, you do not understand; much as you see, you do not perceive. For the heart of this people has grown dull: their ears hardly hear and their eyes dare not see. If they were to see with their eyes, hear with their ears and understand with their heart, they would turn back and I would heal them'*” (Mt 13, 14-15).

Next to God, in the glory of heaven, we have a Mother, a powerful advocate and intercessor. She has not given up on us. She fulfills her mother’s role until the end of the world. Even after the Assumption she has not left this redemptive role, but continues to seek for us the grace of eternal salvation as our mediator. In the apparitions of the Virgin Mary we feel her care for us – for our needs and our hardships. She is placed between God and us in our earthly sufferings and needs, together with the angels and saints, to intercede for us. She is between God and us as a mother who has the right to place all our needs before her Son.

Let us listen to our Blessed Mother, let us go back to God and to prayer so that she can help us with her intercession before the Most High.

...She is between God and us as a mother who has the right to place all our needs before her Son...

Let us pray:

Mary, you who have been through your humility and generosity the “handmaid of the Lord”, grant us willingness also to serve God and the salvation of the world. In your maternal heart, all human hearts and all our needs have a place. Look therefore, Virgin Mary, on all the dangers and disasters that threaten human life. Look and intercede for all those people who in their hearts start war and hatred. Let the peace that is in your maternal heart prevail over any unrest, hatred and war – which is the work of Satan. Pray for all whose lives are endangered by war, that the peace of Christ and the fullness of life may reign. Amen.

LET THE HOLY SPIRIT LEAD AND ENCOURAGE YOU

...The Mother's presence keeps away fear and panic...

Mary's encouragement is to our parched hearts like a drop of dew. Visionaries often keep on saying: *"You cannot imagine what a great grace God gives us through Mary's presence."*

And how about us? Perhaps we got used to it or the world made us blind and we do not see.

It is sad to hear Mary telling us: *"You don't realize what graces you live in this time in which the Highest gives you signs to get*

opened and convert..." "Today the Lord permitted me to tell you again that you live in a time of grace. You are not conscious, little children, that God is giving you a great opportunity to convert and to live in peace and love. You are so blind and attached to earthly things and think of earthly life. God sent me to lead you toward eternal life. I, little children, am not tired, although I see that your hearts are heavy and tired for everything that is a grace and a gift" (25 October 2006). "Little children, you live in a time in which God gives great graces but you do not know how to make good use of them. You are concerned about everything else, but the least for the soul and spiritual life" (March 25th, 2001).

Nevertheless, the Mother does not leave us without help. She identifies the real name of what is going on with us and she immediately offers us help by advising us on how to solve the problems in which we are.

Today her offer is also very simple – prayer and the immense power the Holy Spirit.

We often do not know ourselves what is going on with us as we are buffeted by different spiritual fights. And finally we see that the whole world passes through tumultuous crises. The Mother's presence keeps away fear and panic. The Mother is here. She simply calls us to return to God, to pray to the Holy Spirit. When we ask about how to solve these problems, simply call: *"Holy Spirit, come"*.

The Holy Spirit is a power you cannot stop. Our heavenly Mother ex-

perienced its power herself when the Son of God was conceived in her by the power of the Holy Spirit. The Holy Spirit loves Mary very much; when we pray with her in and to the Holy Spirit, miracles take place.

...only this exceptional and miraculous Virgin may produce, in union with the Holy Spirit, unusual and miraculous things...

St. Grignion de Montfort tells us beautiful things about the cooperation between Mary and the Holy Spirit: Mary has produced, in union with the Holy Spirit, the greatest thing which has been or ever will be – a God-man; consequently she will produce the greatest saints that will be at the end of time. The formation and education of the great saints who shall come at the end of world are reserved for her, because only this exceptional and miraculous Virgin may produce, in union with the Holy Spirit, unusual and miraculous things. When the Holy Spirit, her groom, finds her in a soul of a believer, he hurries up to enter it and pours in it inasmuch as this soul opened to his bride.”

So that we can be opened to the Holy Spirit, it is enough when we fully submit ourselves and devote to Virgin Mary. She would take care of everything else. She can bring us into silence, discreetly giving ourselves. Only she can do it in this way. To grow in the school of Mary under her lead-

ership means remaining little and humble. To learn from her to do little things with big love, to live the present moment with love, to hurry to serve as she always hurried to serve. To never get tired of love. *“Dear children, for you to be able to be my apostles and to be able to help all those who are in darkness, to come to know the light of the*

love of my Son, you must have pure and humble hearts” (January 2nd, 2014). *“I am calling you and am coming among you because I need you. I need apostles with a pure heart. I am praying, and you should also pray, that the Holy Spirit may enable and lead you, that He may illuminate you and fill you with love and humility. Pray that He may fill you with grace and mercy. Only then will you understand me, my children. Only then will you understand my pain because of those who have not come to know the love of God. Then you will be able to help me”* (October 2nd, 2012). *“Dear children, with much love and patience I strive to make your hearts like unto mine. I strive, by my example, to teach you humility, wisdom and love because I need you; I cannot do without you my children”* (January 2nd, 2013).

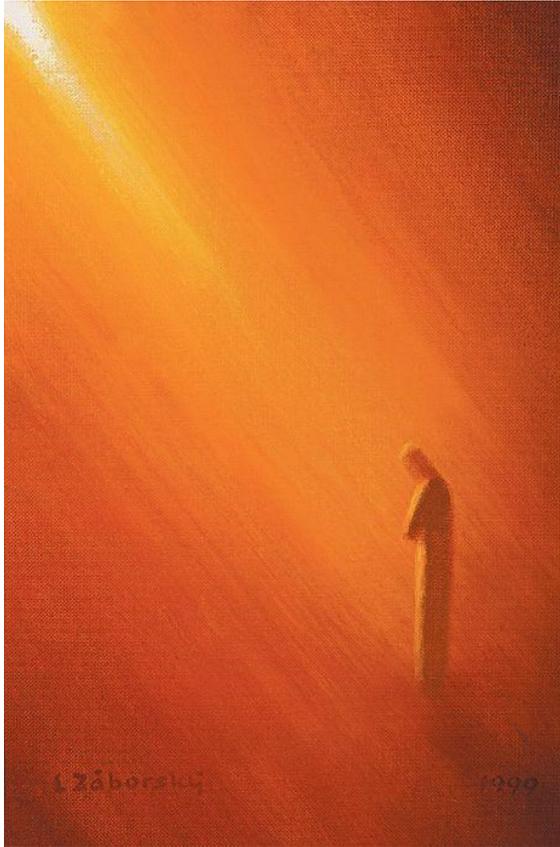

Let us pray:

Come, Holy Spirit, come by means of the powerful intercession of the Immaculate Heart of Mary, your beloved bride. Amen.

„IN THE SCHOOL OF LOVE“

Oasis of peace, goodness and love

„Dear children! Today as never before I invite you to live my messages and to put them into practice in your life. I have come to you to help you and, therefore, I invite you to change your life because you have taken a path of misery, a path of ruin. When I told you: convert, pray, fast, be reconciled, you took these messages superficially. You started to live them and then you stopped, because it was difficult for you. No, dear children, when something is good, you have to persevere in the good and not think: God does not see me, He is not listening, He is not helping. And so you have gone away from God and from me because of your miserable interest. I wanted to create of you an oasis of peace, love and goodness. God wanted you, with your love and with His help, to do miracles and, thus, give an example. Therefore, here is what I say to you: Satan is playing with you and with your souls and I cannot help you because you are far away from my heart. Therefore, pray, live my messages and then you will see the miracles of God's love in your everyday life. Thank you for having responded to my call.“

(March 25, 1992)

In the first eleven years of Her apparitions, Our Lady mentioned the word *love* sixty/two times. We meditated on Her messages. Closing the circle of our meditations before the eleventh anniversary and just before war began in Bosnia-Herzegovina, this message echoed in the hearts of many as a reprimand, as objection. It seems that Our Lady, carrying Her flag in front of us for eleven years, encouraging us to peace and love, lowered this flag at half-staff. She objects to our superficial way of living the messages and that we do not have enough perseverance. And then we complain, accusing God that He does not see, does not hear and does not help us. The word that She wanted to create with us an oasis of peace and love, echoed within us and we were on the way to ruin. This is the opposite way of peace. It is a direction which Satan advises. In this situation, because we are free, God becomes helpless, and Mary cannot help us either. The first step is up to us. To accept the messages means to allow God to perform miracles again.

The war came. It is awful and terrible. Many victims have fallen, many homes and churches have been burned. There has been much suffering, deep sorrow, anxiety and wounds in body and soul. Now the question arises, whether we could have avoided this war and all that happened through conversion, fasting and prayer. Some are convinced that the war is a punishment because we did not listen to the voice of God. It is impossible to answer this question. But the fact is

that this war was announced ten years ago, when the apparitions started on June 25, 1981. Then, Our Lady had cried and invited us to prayer and fasting to stop wars. No war yet has generated as much prayer as this one. People all over the world have been praying. The parish community has taken part in it. This war is not the response to our prayers and fasting; but peace, which is to come, will be a great gift.

The situation could be much different if everyone accepted God's call. For, even if many people have not believed that Our Lady comes here to Medjugorje, they could have realized that we need peace and that we can pray for it. While we mourn for all victims, crying for them, the hope still remains that we will come out of this situation more able to live in peace.

With this hope, I hand over this booklet and again express my wish that it will awaken in every person a deep desire for love and that everyone will open up like spring flower to the action of God's love. Peace will come. It will meet with justice and embrace in every family, in the Church and in the world. These are Mary's times. Through Her, the Queen of Peace and the Queen of Prophets, God will continue to act. Everyone can become the oasis of peace, goodness and love which Mary speaks about. May it be so!

May the Lord, the spring of Peace Himself give you peace at all times and in every way. May the Lord be with all of you. (2 Thes 3:16)

FOR FAMILIES, TO BE STRONG IN GOD...

“The family tree of a person connects mainly to the eternity of God, and only then to human parenthood which becomes a reality in time. At the moment of conception, a man is fastened upon the eternity of

The task of parents is to understand God’s plan. If a child is conceived, God’s plan is clearly demonstrated. A child is already here – first deeply hidden in a woman’s womb. The mystery of life: hidden in one cell, which then grows by a power explosion of life which will never happen again. The pace of development of a child is breathtaking. And a man interrupts this run of life and tries to excuse his decision in every possible way. He tries ingeniously to justify that it is not yet a human life. He makes up misleading terms to avoid the only word – “human”. He describes phases of development in a way that hides the truth about humanity, concealing that what he calls an embryo is in fact a real man.

God.” (*Letter to families, 9*)

...God created mankind in his own image... First, God creates a man as a male or a female and only then such a person is born.

Parents... They co-operate with God’s plan; a child – a new person comes into existence always upon God’s decision. Parents are only instruments which reveal God’s power of creation to the world. A new human life originates in the mother as a mystery which is hidden from all people, even from her, and from this moment on it will exist for ever.

Not many parents realize that they have as many children as they conceived and not only those who were born. Conception precedes birth. The period between conception and birth is now the period when human life is threatened the most.

“When a man is created by the union of the parents, this new human life brings a special image of God himself to this world: the family tree of a person enters into the biology of procreation.” (*Letter to Families, 9*)

The development of a human being should awaken admiration. Admiration over the miracle of the development of two microscopic particles which contain everything that makes you. This human life develops and by its presence enriches not only its parents but the whole universe. Every person is a gift for mankind and fulfils a certain role – the mystery of predetermination is hidden in the process of development. And a man grows and his body too. And this miraculously created body also expresses the human person and has the **dignity of a person.**

Thoughts are taken from the book: *For families, to be strong in God...*, Wanda Póltawska (SALI-FOTO, 2010).

„DEAR CHILDREN, OPEN YOUR HEARTS AND ALL THE REST WILL BE DONE BY MYSELF.“

You are the youngest visionary. In 1981 you were just ten years old. How did the apparitions affect you?

I was just like any other child and I lived accordingly, but then I got something extra in my life and it was God in my heart. That is what we all need. If we have God, we have everything – faith, and we know which way to choose, what is good and what is wrong. When I saw Our Lady for the first time, I had a feeling in my heart that a new life was starting for me. It was not easy at the very beginning. When

Our Lady called us to live her messages, at that time, I didn't even know what some of them meant. She called us to pray three rosaries and I had never prayed so much before; to pray for peace and I had always thought that we had peace, but in fact I did not know what lack of peace was. Fasting, convert yourselves... and I had absolutely not a clue what it meant to convert oneself. In fact, it is important what Our Lady says: *“Dear children, open your hearts and all the rest will be done by myself.”* It is really just so. We have to give her ourselves and she will lead us in our life. She will show us how to live her messages. She will help us in everything. We just needed to be ready. We have to be able to say to

her our „Yes.“

What was your mother's reaction at that time, as you are an only child?

At the beginning, when I told my mother that I had seen Our Lady, I have to admit that her reaction was not very positive, because for her it was using the name of the Lord our God for an evil purpose. But when my mother saw how I was changing, she started to believe. And my mother, as any other mother would be, was always afraid. At the beginning we had problems with the police. Our parents always took care that we were safe. Thanks be to God, they always supported and protected us. And it was the same with our parishioners. Really, I have to say thank you to everyone.

Our Lady showed you and Vicka paradise. How it was? What did it look like? How did it feel to see heaven?

First of all, I want to say that it is really not possible to describe heaven. Yes, Our Lady showed me and Vicka heaven. We saw that boundless space. We saw a strange light that I have never seen here on earth. I saw many people praying there. And about the feeling it left me, and what I do think about paradise, it is peace and joy that is felt there. Try to imagine my surprise when Our Lady told that she would take us to heaven. I thought to myself, this is the end, I will die. When you as a little boy think about death, you think that it is something terrible; when you are a child, you do not think about death in the same way as adult such as I am now does. So I thought it meant that I would die, and I said to Our Lady: „Take Vicka, my mum has only me.“ I prayed for a long time to understand heaven. And I can tell you that heaven is not what we see with our eyes, heaven is what we have in our heart. I am sure of one thing – if we really live with God and if He is the first in our life, then we already have heaven in our hearts. People always ask, and maybe it is the very first thing pilgrims ask me: “What does heaven look like?” I think that they should always ask and in each moment of life, „Are we ready to come to heaven?“ I think this is the most important question.
